

To Whom It May Concern: In this day and age, there is very little wholesome TV shows or radio programs that one can watch or listen to. The radio station K-LOVE is a big part of our family. It brings us wholesome, positive, and encouraging music, comments, advice, etc. It uplifts my spirits daily and constantly reminds me of where my values lie. I believe that if K-LOVE were to be displaced by an LPFM broadcaster that the community as a whole will suffer. It is in the public's best interest to keep K-LOVE on the air because with so much negativity and evil in this world, we need to have something to encourage us, and to reinforce wholesome values to our children.
